

The Best Company

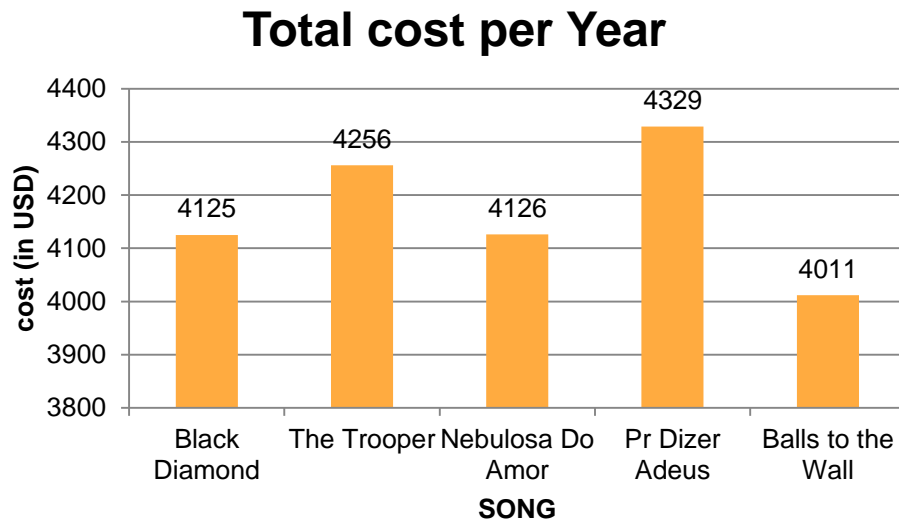

Surprisingly, the best company not on the list, the customer is probably an individual.

Second place was awarded to JetBrains.

Generally companies purchase in the same range.

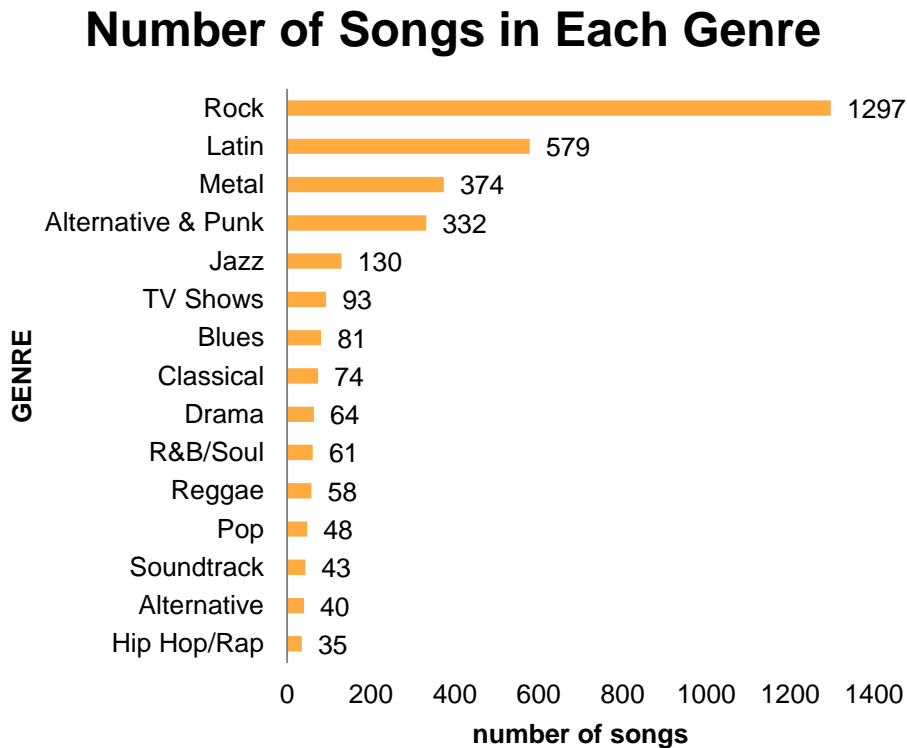

Best Song per Year

Best Song from 2013 (Black Diamond) to 2009 (Balls to the Wall)

In first place (Prdizer Adeus) in 2010, I think it's an interesting song

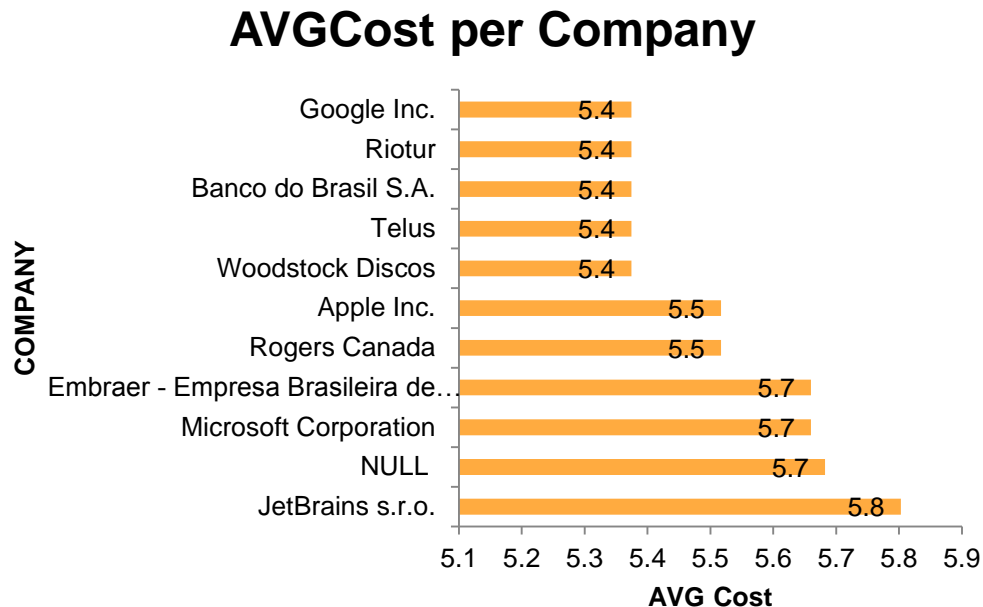

Number of Songs in Each Genre

A round of applause for our winner 'ROCK', unbelievable.

The number in the following four types is also considered high.

Average amount spent per company

well, unlike what we see in total amount spent, JetBrains comes first in average spent amount.
